DISTRICT MISSION STATEMENT

In support of our community, the mission of South Lyon Community Schools is to provide the highest quality educational process, so that all students can excel as individuals, and become productive and contributing members of society.

Kent Lake Elementary

We warmly welcome you to Kent Lake Elementary School! Whether you are new to our community or have been here for years, we aim to foster a partnership with your family for one purpose: providing the best social, emotional and academic experience for your most important – your children. In an effort to do so, we will build on your child strengths and support each child as the unique individual they are.

South Lyon Community School students, including Kent Lake Star Leaders, participate in a rich curriculum and engage in powerful learning experiences and assessments, based on research and best practices and aligned with Michigan State Standards. We are constantly working to grow and improve as educators and professionals in order to provide educational experiences that are tailored to your child's areas of strength and particular opportunities for growth. Part of this growth comes with the continuous improvement practices that are followed and implemented as part of district and state guidelines.

Student growth and achievement cannot happen without the support of our community. Our school benefits from a Shared Involvement Process (SIP), which is a systemic district practice supported and governed by the Board of Education. The SIP team is composed of the principal, parents, teachers and support staff, who meet each month to collaborate around school improvement and make collective decisions regarding procedures and school budget. Additionally, our CHEERS volunteer program and PTO provide numerous opportunities for families to become engaged in making our school a wonderful place for all students.

We look forward to working with you! Please do not hesitate to let us know if you have any questions. By working together, we will be a powerful force in providing a meaningful and enriching experience for your child.

NEW ENROLLMENT INFORMATION

New students to the South Lyon Community Schools should contact the Transportation Department to see which school they will attend. New registrations for Kent Lake that occur during the school year will take place in the school office. During the summer, new registration will take place at the Administration Building at 345 South Warren, South Lyon. All new students need to have:

- Three proofs of residency
- Photo Identification of the parent/guardian
- Updated Immunization Record
- Certified Birth Certificate
- Vision screening (Kindergarten/Junior Kindergarten only)

For specific details about enrollment and requirements, please either visit the school office, or the Parents & Community tab on the SLCS.us website.

ELEMENTARY INSTRUCTIONAL PROGRAM

Kindergarten/Junior Kindergarten

Kindergarten and Junior Kindergarten registration is conducted in the winter of each school year. Parents are given an orientation to the school and an overview of school procedures. Kindergarten registration is an opportunity to meet the principal, kindergarten teachers, secretaries, and other staff members. In order to register students, parents must provide the office with: certified birth certificates, immunization records, a current vision screening, photo identification of the parent/guardian, and three proofs of residency.

Curriculum and Assessments

A curriculum based on the Michigan State Standards is in place to guide student learning in all areas in which instruction takes place. Parents can review these curriculum documents in the principal's office or in the curriculum department in the Administration Building on 345 South Warren, in South Lyon. Parents can access South Lyon curriculum materials at South Lyon Community Schools' website at www.slcs.us.

We expect students to be responsible for the care and handling of books and materials as well as other school equipment and supplies. A charge may be assessed if any library, classroom, or planning books are lost or damaged beyond the usual wear and tear.

Students are instructed in the following academic areas:

- Language Arts (Reading, Writing, Listening, Speaking, Word Work)
- Mathematics
- Science
- Social Studies
- Physical Education
- Music
- Art
- Technology
- Habits of Mind

Michigan Student Test of Educational Progress (M-STEP)

This summative assessment is designed to 1) focus on student achievement, 2) align with the Michigan State Standards, and 3) provide data to guide instruction. This assessment will assess student understanding and knowledge based on the Michigan State Standards in an online testing format. The M-STEP is scheduled for spring of this school year in the following grades:

English Language Arts—Grades 3, 4, and 5

Mathematics—Grades 3, 4, and 5

Science and Social Studies—Grade 5

Information regarding specific testing dates and times will be shared as the year progresses.

District Assessments

Students in all grades participate in a comprehensive assessment profile in order to determine next teaching points for individual learners, mastery of content area knowledge and application of grade level standards. Teachers will share assessment information throughout the year as it applies to each classroom. Families and students can expect to participate in formative and summative assessments in reading, writing, math, science and social studies.

HOME AND SCHOOL COMMUNICATIONS

Communications

Kent Lake Elementary communicates with families and the community members via the following: email notifications, mass mailings or targeted mailings as appropriate, electronic weekly updates (hard copy by request), information posted on our websites, letters/handouts sent home with students, Twitter, Facebook, and daily student announcements. Additionally, some classes may also have Facebook, Twitter, and Remind accounts as well as sending their own newsletters and reminders. There is also an up-to-date calendar available on the Kent Lake Elementary page at SLCS.us. We encourage parents to choose electronic means of communication when possible, however we are happy to provide a paper copy if needed.

Curriculum Night

In the fall, Curriculum Night is held. Teachers will be present to explain the curriculum, and curriculum materials will be available. This evening is a time to get acquainted with teachers, school procedures, educational programs, and the layout of the school rather than a time to talk with the teacher about individual student progress.

Parent-Teacher Conferences

Parent-teacher conferences for elementary families are conducted in October. Families will receive advance notice of an electronic sign up for conferences. In the fall, information and a link will be emailed from the office detailing this process. In addition to this formal conference, parents are encouraged to contact the teacher whenever it is felt that an additional conference is needed. Teachers may also request a conference at any point in the school year, if they feel there is a need.

Volunteers/Visitors

We greatly appreciate the support of our families and the involvement of parents/guardians both at home and as volunteers. While we welcome parent/guardian volunteers, it is important that we followed Board Policy 9230 (District Volunteers). This screening process is to ensure the safety and security of our students and staff in each building.

If you would like to serve as a volunteer at Kent Lake, you are required to complete the Volunteer Background Check Authorization form, which can be found on the district website (www.slcs.us), under the "Parent" tab. This should only be filled out once you have a specific event or date for which you are volunteering.

All volunteers/visitors are required to report to the office upon arrival in the building. Anyone entering the building needs to buzz at the front door, show valid identification, sign in to the office and obtain a badge. Lunch time visitors are welcome to have lunch with their child however, they will not be able to participate or observe during recess.

We ask that any work with students or observations made during volunteering are kept confidential to protect the privacy of all students.

SCHOOL ATTENDANCE PROCEDURES

Junior Kindergarten through fifth grade school hours are 8:15 am-3:18 pm

*When a half day of school is scheduled, dismissal time is 11:09 am.

Arrival at School

Children should arrive at school **no earlier** than 8:05 a.m. Staff is not available to supervise before this time.

Additional arrival procedures for the drop off loop can be found under the Safety Procedures section below.

Students must be signed in by a parent/guardian in the office if they arrive after the bell at 8:15 am (school start time). Please be aware that the doors will lock automatically at that time, and office staff will ask to see picture ID as part of our protocol for entry into the building. Students will walk themselves to class after being signed in by their parent.

Students Leaving While School is in Session

When it becomes necessary for a student to go home due to illness or prearranged appointment, a parent or other responsible person designated by the parent must pick up the child in the office. Parents are not permitted to walk the halls to gather a students' belongings during the instructional day.

We will not release any student to leave the school grounds (other than at dismissal times) unless s/he is picked up from the office by:

1. A parent, guardian, or emergency contact designated on the emergency card.
2. An individual designated in writing and signed by the parent or guardian.
3. A day care center designated in writing and signed by the parent or guardian.

The parent, guardian, or other designated individual in (1) and (2) above must provide picture identification such as a driver's license.

Safety is a deep concern to all of us. We are enlisting your help in following these guidelines to ensure a high level of security for your children.

The office requests that all calls to the office regarding changes in an afternoon pick-up schedule be made before 2:45 p.m. Please discuss pick-up arrangements with your child AND send a note to school with him/her in the morning if there will be a deviation from his/her normal dismissal routine. Daily calls regarding changes to pick up schedules make it difficult to handle emergency situations at the end of the day. Please do not make requests through voicemail or email messages regarding dismissal; the staff is not always able to check voicemail or email regularly throughout the day. Dismissal after 3:00 pm will be done from the back of the building.

Reporting Absences

To guarantee that all students have been accounted for and have arrived safely at the school, parents are asked to call in to report the absence of their child each morning before 9:00 am. The "School Messenger" system will start calling at 9:30 am to check on any unconfirmed absences. Parents/Guardians will be told that their child is absent and the attendance line wasn't called. They will be requested to call the attendance line with the reason for the child's absence. If we do not receive a call, the absence will be marked as unexcused.

ATTENDANCE LINE 248-573-8325

Attendance Policy

Regular attendance is necessary for school success. It is important that your child be at school on time as many days as possible. There is a demonstrated connection between school absences and learning difficulties. Although the teachers attempt to provide assignments and materials for students to make up work when they are absent, completing an assignment at home just does not compare with being present in the classroom. An absent student misses the teacher's instruction and class discussion.

A child is considered tardy if s/he arrives at school after 8:15 am. A child will be considered absent for the morning if s/he arrives after 10:00 am. A child is considered absent for the afternoon if s/he leaves school before 1:30 pm.

The following are the attendance guidelines:

Step 1: Student misses either 10 days absent or 15 days combined absent/tardy days: a note is sent home to parents.

Step 2: Student misses either 15 days absent or 20 days combined absent/tardy days before March: letter is sent home including mandatory meeting with principal.

Step 3: Student misses either 20 days absent or 25 days combined absent/tardy days: the office will make a Youth Assistance referral.

Step 4: The office will initiate Family Court Proceedings if non-improvement or patterning is determined from Step 3.

Parents play an important role in ensuring that their child maintains a good record for punctuality and attendance.

SCHOOL HEALTH

Accidents or Illness at School

Only minimal first aid can be administered by school personnel. Parents/Guardians will be contacted when a student appears ill enough to go home or an injury involving the head takes place. If a parent/guardian cannot be reached, the designated emergency contact(s) will be contacted. If a student has any health problem, or is taking medication, it is important for school personnel to be made aware.

Students go outside each day. If there is a medical reason that a child must stay inside, a note from a physician is required.

Immunizations

Michigan law requires that every student enrolled in a Michigan school be properly immunized or have a signed waiver on file at the school. If not, the student, in accordance with the law, shall not be permitted to attend school.

Medication at School

School district policy prohibits school personnel from administering any medication (including, for example, cough drops, aspirin, and over-the-counter medications) to students without the following:

1. A South Lyon Medication Form obtained from the office. This form must be signed by the parent/guardian with the signed physician's order indicating drug name, dose, time, and method of administration, and the duration of treatment. It is also recommended that possible side effects of a medication be indicated on the form.
2. No over-the-counter drugs will be dispensed without the written order of a physician. This includes cough drops. Please obtain a South Lyon Medication Form for over-the-counter drugs.
3. Medication must remain in the school office for the duration it is used. A student may not keep OTC items like cough drops or throat lozenges with them.
4. Medication should be dropped off and picked up by the parents and not transferred by the student. Medication will be disposed of at the end of the year if it has not been picked up by a parent.
5. Medication must be in the original containers that contains the student's name, dosage, medication name and duration.

Hearing and Vision Screening

Oakland County Health Department provides hearing and vision screening at specified grade levels. If a hearing or vision problem is detected, the parent will be notified. Parents have the right to refuse these screenings.

Head Lice

Because of the close proximity of children in school we occasionally have students with head lice. It is the district practice that a child with head lice must be excluded from school until one treatment at home has occurred. A student may come back to school provided the parent/guardian documents the treatment and upon examination by the school's designee that any remaining nits are farther away than ¼" from the scalp. It is recommended that all nits be removed. There is

information in the office on procedures for ridding a child of lice. The Michigan Department of Education, Michigan Department of Health, Oakland County Health Division, and the American Academy of Pediatrics support these practices.

Communicable Diseases

Children catch a variety of illnesses and it is important to know when and when not to keep your child out of school. A child who has had a fever or is vomiting cannot be in school until they are healthy for 24 hours. A child who just has cold symptoms is welcome at school but please note the medication policy, which does not allow over-the-counter medication to be used by students at any point during the day. If your child vomits during the school day, a parent/guardian will be required to pick up their child.

Additionally, if a communicable disease/condition is suspected, families may be called to have a medical professional diagnose symptoms to ensure a student is not contagious before returning to school. The most common conditions are suspected pink eye and various skin rashes.

SCHOOL EMERGENCY INFORMATION

Emergency and Disaster Procedures

In the event of an emergency during the school day, a crisis plan will be put into operation. Emergency plans meeting district and national standards have been adopted to cover all foreseeable emergencies. Tornado, fire, and lock down emergency procedures are rehearsed throughout the year.

Fire and tornado procedures are posted in each classroom.

Severe Weather and School Closings

When the district deems necessary, school will be closed. School closing phone calls, emails, and text messages will be sent out according to how your family preferences are set in Skyward. Closings will be posted on the district social media sites and will also be communicated to major TV and radio stations. Please check: www.slcs.us or www.cancellations.com. **Do not call the building to find out if there is a closing.**

Parents must have emergency plans in the event that it is necessary to close school and students are sent home during the school day.

STUDENT ACTIVITIES

Field Trips

Any student going on a field trip must have a signed parent authorization. If a teacher does not have such authorization by the day of the trip, the student will not be permitted to go.

SAFETY PROCEDURES AND REGULATIONS

Parent Drop Off Loop

For their safety, children are not allowed to walk unaccompanied from the parking lot into the building. When dropping off a child, you must use the loop on the east side of the school. This is a drop off only loop and not a loop for parking. In order for this procedure to work smoothly and safely, parents/guardians should have children seated so they may quickly exit the car on the passenger side. Children must be ready to exit (with lunch, money, pick up arrangements worked out, backpacks, etc...) as soon as the car stops. Please do not double up in front of the loop, as it is unsafe for students to walk between cars. It is essential that you park in the parking lot if you are going to walk your child to the doorway.

A staff member is in front of the building until the bell rings. Therefore, it is not necessary for you to wait in your car to see the children enter the school. By following the above procedure, a stop of only a few seconds will alleviate a long wait and prevent a dangerous situation. Patience and politeness are required for the safety and education of our students. Please do not pass cars in front of you. Wait until they have safely pulled away.

Rules for Indoor Recess

During inclement weather students will remain inside the building during recess and the lunch hour. Lunch supervisors will be on duty during the lunch period. Students are expected to adhere to cafeteria and classroom expectations.

Accident Insurance

The South Lyon Community School District will have student accident insurance applications available in the office.

Transportation Code of Conduct

Bus Rules must be followed for safety of students

In order to guarantee all children riding the bus the safe transportation they deserve, certain rules have to be followed. Parental support is essential to a safe transportation program. The prime responsibility for the application of these rules is with the parent. The schools will assist parents in any way possible. We are publishing the rules so that the district's expectations are clear.

Responsibilities of Students

1. Students must be on time as designated bus stops. Buses cannot wait, so students should leave home in time to arrive at the bus stop about 5 minutes before the bus is due. Unless there are unusual weather conditions or the bus has an emergency situation, the established schedule should be accurate.
2. Students must stay off the roadway at all times while waiting for the bus, and conduct themselves with courtesy and consideration for others. The safety and conduct of the students at a bus stop is the responsibility of the parents.
3. Students are required to cross in front of the bus when crossing a roadway, NOT in back of the bus.
4. Students must wait until the bus has come to a stop before attempting to enter or leave the bus.

5. Students should be seated immediately upon entering the bus. Students may be expected to sit three (3) in a seat. Personal belongings are to be held on the rider's lap. Only items fitting on students' laps will be accepted on the bus. The aisle must be kept clear.
6. No pets or other animals may be transported on the bus.
7. Students are expected to conform promptly to directions of the bus driver.
8. Students must inform the driver when absence from school is expected.
9. Students must help keep the bus clean and orderly at all times.
10. Students must report to the driver at once any damage to the bus. Any student disfiguring or mutilating a bus will be suspended from riding until a satisfactory adjustment is made.
11. Loud, boisterous, or profane languages, indecent conduct, scuffling, or throwing of object will not be tolerated. Student causing trouble after they have been warned will lose their privilege of riding the bus.
12. No windows or doors are to be opened except by permission of the driver. Students are required to enter and leave by the front door ONLY, except in case of an emergency and then the back emergency door may be used.
13. Students must keep hands and head inside the bus at all times.
14. Smoking, eating, or drinking will not be permitted on the bus.
15. Only students registered to ride the bus are permitted to ride. We do not carry a commercial license. This prohibits us from carrying students not listed on the original registration sheet. Students may not ride any other bus to homes of friends or places of employment.
16. Students must not leave the bus without the driver's consent, except at home or at the school.
17. Students are expected to be picked up and dropped off at one (same) bus stop only.
18. Students may be assigned a seat by the bus driver.
19. Complete silence at railroad crossings is required.
20. No use of cell phones on the bus.

Failure to observe bus rules may result in the issuance of a bus conduct report.

Students are reminded that bus riding is a privilege. They are expected to observe bus safety rules and failure to do so may result in the bus driver issuing a bus conduct report, which will be reviewed by a school administrator. The administrator reviewing the report has the right and responsibility to reprimand according to the student's disciplinary history. In instances of severe bus misconduct, administrators may invoke any or all of the corrective measures listed for each offense. If a bus misconduct results in a suspension from school, the student's suspension from the bus is effective upon return to school. The following is the district procedure with regard to bus conduct reports:

- 1. Warning Notice:** At the bus driver's discretion, and based upon the severity of the offense, issues may be addressed through verbal warnings. In these cases, a copy of the Transportation Code of Conduct may be provided to the student as a reminder of the transportation expectations.
- 2. 1st Conduct Report** - the student receives a warning that further conduct reports could result in suspension of bus riding privileges; however, a student may be removed for 1st conduct report in case of serious offences, such as fighting.
- 3. 2nd Conduct Report** - the student is suspended from riding the bus for five (5) school days.
- 4. 3rd Conduct Report** - the student will be suspended from riding the bus for up to thirty (30) school days.
- 5. 4th Conduct Report** - the student will be suspended from riding the bus for the remainder of the school year.

Note: If a student's misbehavior is serious, the bus may return to the school so that the student can be removed. If this happens, he/she will be removed from the bus for a minimum of five (5) days.

Bus Suspension Appeal Process- Elementary:

1. Parent/Guardian may appeal bus suspensions of less than ten (10) days to the principal.
2. Bus suspensions of ten (10) or more days shall follow the appeal process outlined below:

- a. If a parent/guardian disagrees with a suspension, an immediate appeal must be made to the building principal. Immediate is defined as by the end of the next school day. If the bus suspension was issued by the assistant principal and he or she is not in the district, the parent will be directed to the principal who will be the first and final administrator in the appeal process.

Homework may be requested for students due to lengthy period of absence due to illness or vacation. In the event that items can be prepared prior to the extended absences, teachers will communicate that as appropriate.

Alternative assignments may be given at the discretion of the child's teacher. In some instances, missed assignments may not be able to be completed, such as, videos, hands-on group activities, simulations, class discussions, and science experiments, which are part of science kits. Some assignments may be provided upon return from the extended absences, in which case students will receive the same number of days to complete assignments as were missed.

Breakfast and lunch are available as an important addition to our students' school day. Milk can be purchased by those bringing their own lunch. **Applications for free and reduced lunch are available as part of the online orientation process.** Lunch menus are sent home at the beginning of each semester. Video Surveillance and Electronic Monitoring

In order to protect Board property, promote security, and protect the health, welfare, and safety of students, staff, and visitors, the Board of Education authorizes the use of video surveillance and electronic monitoring equipment on school property, and in school buildings, and school buses. Information obtained through video surveillance/electronic monitoring may be used to identify intruders and persons breaking the law, Board policy, or the Student Code of Conduct (i.e., it may be used as evidence in disciplinary actions and criminal proceedings).

SCHOOL IMPROVEMENT

The Governor of Michigan signed into law The School Quality Bill, Public Act 25 of 1990 which is an amendment to the state school code. The Act will have a significant impact on all school districts in the state. The bill contains several requirements which include an annual education report, school improvement plans, core curriculum, and accreditation for all schools in a district.

The annual report must include district and building level data which includes accreditation status, school improvement plans, core curriculum, aggregate student achievement, retention reports, participation data from parent-teacher conferences and a comparison of present year's report and data to preceding years' report. This report is presented annually and is available on the district website.

School improvement plans will be required from each individual school. The plans are to include a mission statement, goals based on outcomes for all students, curriculum alignment corresponding to these goals, evaluation processes, parent and community involvement, staff development activities, and building level decision making with respect to organization.

Accreditation means meeting or exceeding standards established for five areas of school operation: purpose and direction, governance and leadership, teaching and assessing for learning, resources and support systems, and using results for continuous improvement.

C.H.E.E.R.S

C.H.E.E.R.S. (Citizens Helping Educators Encourage Responsible Students) is the name of the district volunteer program for the South Lyon Community Schools. This program was developed in 1987, and has been in effect since that time. The program is directed by a district volunteer coordinator, and numerous building coordinators. In excess of 500 volunteers log thousands of hours of volunteer service to the school district. CHEERS is a K-12 program operating in each school building in the district, as well as in several of the community education departments. We believe that the success of the program can be attributed to a dedicated team of coordinators, as well as a total commitment from the Board of Education and the school district staff. Kent Lake Elementary has a CHEERS coordinator who will help parents get involved in the school setting.
