# Wizards, Wands, and Potions with Sloan-Longway

This is not an SLCS sponsored event  
Intended for kids 8-12 years old & teens

Step into another world full of wizards and witches with friends from the Sloan Museum and Longway Planetarium. Cauldrons will bubble and potions will change color. Is it magic or chemistry? Build your own light-up wand and squish your fingers into ghost brains.

This program is designed for children aged 8-12, but teens are welcome to join us as well.

We are offering this program twice, once at 11am and again at 1pm. Please register for only one session.

This program will be in-person at the library. If circumstances require it, the program may be changed to virtual only.
