A Message from the Salem PTO:

As we come to the close of the 2019-2020 school season, we want to take a moment to thank all of our parents, teachers, staff and volunteers for the best school year we could have in the given situation! It has been a year of unforeseen challenges, deep disappointment and heart aching loss. We can still celebrate the little things like the hard work put in by all our teachers and families to successfully complete distance learning this spring. We can still celebrate the completion of kindergarten by all of our newest Coyotes. And we can still celebrate our 5th Graders as they move on to middle school this fall.

We look forward to working with you all next year to make 2020-2021 a terrific school year. Please be on the lookout for information regarding the upcoming school year, including school supply lists and spirit wear orders, on our Facebook page. Things will certainly look different for the new school year but we are confident we can continue to provide the Grade A support we always do for our Salem School Community. #MICOYTOES

We thank each and every one of our parents and families for everything you have done this year to support us, the students and staff. Without you the PTO would not have been able to provide what we did for the school, offer the events and activities we did and continue to provide for the upcoming school year. You should be proud of being a part of such a strong, cohesive school community. It has been a pleasure to serve our Salem Coyotes! Please have a safe and happy summer – enjoy your families and hope to see more of you in September!

Warm Regards,

Your 2019-2020 Salem PTO:
